Media Committee

NO.	Name	Position
1	Dr. Yousef Al-Qudah	The Committee Chairperson
2	Dr. Quftan Althunibat	Member
3	Dr. Abdelaziz Alfawareh	Member
4	Dr. Eman Bassam	Member
5	Dr. Anas ALTarawneh	Member
6	Mr. Mohammad Alsmadi	Member
7	Mr. Waddah Musmar	member / Director of Media and Public Relations Department
8	Dr. Ayman Altalahin	Member
9	Mrs. Saja Alnajjar	Member

Target Groups

- Faculty members.
- Researchers and graduate students.
- Scientific research centers.
- Representatives of international academic institutions.

Conference Outcomes

- Publication of accepted papers in databases
- Publication in a book chapter indexed in Scopus
- Certificates of participation
- Academic and research recommendations.
- Development of international research networks

Supporting Elements for Scopus Indexing

- A scientific committee.
- A rigorous peer-review process
- Geographical diversity of participants.
- Contemporary multidisciplinary themes.
- Commitment to international publication ethics.

Participation fees

	Research Paper Participation	Graduate Student	Attendance only
Inside Jordan	JD 100	JD 50	JD 70
Outside Jordan	$ 200	$ 100	$ 100
Online (Remote)	$ 100	$ 100	$ 50

* Participation fees from outside Jordan may be paid in USD or the equivalent in Jordanian Dinars.
* Fees include (conference participation, conference kit, conference materials /publications, and lunch meals).
* Participants are responsible for their own travel and accommodation fees.
* An additional 400 $ applies for those wishing to publish their papers as a Scopus-indexed Book Chapter.

Research papers should be submitted to the email address below:
ICFAS@aau.edu.jo

Conference Vision

The idea of this conference stems from Amman Arab University vision and mission of pioneering and excellence, and the importance of keeping up with the advancement in scientific research and knowledge production, alongside engagement with emerging global developments. This conference seeks to provide a solid scholarly platform that brings together researchers, academics, and specialists from diverse disciplines, including education, literature, humanities, and natural sciences to investigate the potential challenges brought by global and digital transformation, and to explore the prospects of multidisciplinary research.

Moreover, the conference aspires to develop a prominent international platform that supports the advancement of interdisciplinary research. It also endeavors to enhance high-quality academic publishing responds to the demands of digital transformation and sustainable development. The outcomes of the conference discussions are anticipated to guide and stimulate future research, contributing to societal and humanitarian progress.

Conference Mission

The mission of this conference aligns with Amman Arab University's vision and mission of pioneering and excellence. It seeks to support the scholarly production, foster international research collaborations, exchange knowledge, and address contemporary challenges across the humanities and natural science while adhering to the international standards of indexed academic publishing.

Conference Objectives

- To promote academic research and the exchange of scientific expertise.
- To establish and promote regional and international research collaboration.
- To foster knowledge-based innovation in different fields.
- To discuss the latest international trends in the humanities and natural sciences.
- To align research outcomes with societal needs and the objectives of sustainable development.
- To establish a platform that fosters interdisciplinary and multidisciplinary research collaboration.

Conference Scientific Themes

Theme 1: Translation and its role in knowledge transfer and intercultural communication.

Theme 2: Applied linguistics and language teaching.

Theme 3: Literature, translation, and comparative studies.

Theme 4: Language and translation in the era of digital transformation.

Theme 5: Pure and applied mathematics

Theme 6: Statistics and artificial intelligence applications.

Theme 7: Teaching mathematics and its role in scientific research.

Theme 8: Emerging developments in Education sector in the age of digital revolution and sustainable development.

Theme 9: Humanities and their developments in light of digital revolution and sustainable development

Research Publishing

- Accepted papers will be published as book chapter in a Scopus-indexed volume, according to the publisher's terms and conditions. Authors opting for this publication will be required to pay a 400$ publication fee (optional).
- Abstracts of all accepted papers will be published in the conference proceeding book in both Arabic and English (free of charge).
- The conference registration fee does not include Scopus publication fees.

Submission Guidelines and Criteria for Research Papers

1. Submitted research paper must address one or more of the conference's main themes.
2. Submitted research papers will undergo a peer-review process by the conference scientific committee.
3. Submissions must demonstrate originality and make a current and relevant scholarly contribution.
4. Submissions must follow an appropriate and rigorous research methodology.
5. Submissions must not have been previously published or considered for publication in any conference or journal.
6. The first page of the paper must include: the conference name, the organizing institution, the full title of the paper, the full name of the researcher, their academic degree, affiliation and address, email address, and ORCID (if available).
7. The number of participants in the same research paper must not exceed three (3).
8. Participants may submit more than one research paper within the conference themes, provided that separate registration fees are paid according to the applicable category (inside or outside Jordan).
9. Submissions are accepted in both Arabic and English.
10. Manuscripts must be prepared using Microsoft Word or LaTeX; Arabic text should be set in *Simplified Arabic*, while English texts should be set in *Times New Roman*.
11. Manuscripts must not exceed 25 pages, including references and appendices, formatted as follows:
* Title: 14pt, bold.
* Subheadings: 12pt, bold.
* Main text: 12pt, regular.
* References and in-text citations must follow APA 7th edition guidelines.
12. The Scientific Committee reserves the right not to provide justification for the rejection of submitted papers.
